More gear on our site

Whether you're buying or selling caravan, camping or fishing gear, we've got more for you!

In a wonderful innovation for both sellers and buyers of caravan and camping equipment as well as fishing gear, caravancampingsales.com.au has joined with quicksales.com.au to offer a fully searchable interface between the two sites.

From now on, all advertisements for camping, caravan and fishing gear that appear on caravancampingsales will also appear on quicksales and vice versa.

This means that if you are a seller, you'll get twice the bang for your buck, and if you're a buyer, you'll have access to heaps more gear on either site.

So take look at the Camping, Fishing and Accessories tabs on the homepage and you'll see what we mean...
